

FRENCHVILLE VETERAN'S MEMORIAL

A Group of local Veterans are organizing the construction of a Monument to honor the many Veterans from Frenchville who have served our Country. We plan to build a granite monument that includes all of the Veteran's names from World War I to the Present. This Monument will be located in the Frenchville Heritage Park. As part of the fundraiser for this Monument, we are providing families and friends of local Veterans an opportunity to honor their loved ones, past and present, by purchasing a paver with your choice of inscribed message. The pavers will form a path and surround the Veteran's Memorial. This is a way that the community and families can say "Thank You" for their Service.

Pavers will come in a choice of 2 sizes: 8x8" or 12x12" size. Each gray concrete paver will have your choice of limited engraving (20 letters per line) and your choice of logo. (many to choose from, or you may provide your own logo).

Prices for each brick-paver are as follows:

8x8 Paver - \$250 (plus \$10 per logo)

12x12 Paver - \$350 (plus \$10 per logo)

You may also make a donation the support the purchase of the wall!
