

# FAMILY PAVER PROJECT

## FRENCHVILLE HERITAGE PARK

Here is an opportunity to leave a permanent marker to remember a loved one. We are selling GRANITE PAVERS to be permanently placed at the Frenchville Heritage Park, surrounding the Gazebo. The pavers come in various sizes and will be engraved with messages that you wish to inscribe. This is an excellent way to remember your Family Heritage or to leave a marker in honor/memory of a loved one.

Here is an example on the left. The right is at the park now in front of the gazebo.
